FULTON MACGREGOR

MEMBER OF THE SCOTTISH PARLIAMENT FOR THE COATBRIDGE & CHRYSTON CONSTITUENCY

"It was a privilege to be elected as your constituency MSP in May. I have spent the time since the election working every day for my constituents, representing the needs of Coatbridge & Chryston in the Scottish parliament. I look forward to continuing to work for our constituency in the coming year. "

Fulton MacGregor

ANNUAL REPORT

MY WORK IN PARLIAMENT

Since the election I have taken part in a number of debates in parliament covering a wide range of issues, as well as securing debates on Anti-bullying and The Year of Walking.

I have lodged several motions highlighting the work of individuals and organisations in the constituency, such as commemorating the 57th anniversary of the Auchengeich mining disaster. I have also used motions to condemn the attack on the Coatbridge Cenotaph and to raise awareness of the impact of miscarriage during baby-loss awareness week.

I am also a member of several cross-party groups. I am the convener of the CPG on Racial Equality and the deputy convener of the CPG on Children & Young People.

I take every opportunity to hold government ministers to account by submitting written and oral questions

"Local Hero Holly Kinsella (right) of the Scottish National Deaf Children's Society at the official opening of parliament."

I am a member of both the Justice and the Education & Skills Committees, which cover a wide range of issues affecting Coatbridge & Chryston.

In response to my question about the future of Monkland's Hospital Accident and Emergency the Health Secretary said; "I can guarantee that there will be accident and emergency services at all 3 hospitals within Lanarkshire."

MY WORK IN THE CONSTITUENCY

My priority as your constituency MSP is to support our local area. There are many individuals and organisations who are doing great work across the constituency. I have been delighted to have had the opportunity to support many of these in the past few months and I look forward to supporting many more in the future.

It's disgraceful that services such as Coatbridge food bank are needed, but the volunteers do such an amazing job.

Hosting a funding information day with The Big Lottery, VANL and NLC.

I heard first hand about all the fantastic work that Sharon and her team at Women's Aid are doing for women and their families across Coatbridge and wider Monklands.

It was wonderful to see both charity and health elements working together to provide a world class service at Lanarkshire Beatson.

Helping to plant Coatbridge Orchard's first trees at their new site in the West End Park.

Great to learn about the work Muirhead & District Seniors Forum do locally to promote health, wellbeing and community involvement.

Bargeddie Colts, Shining Stars and Drumpark Primary receiving funding cheques from Viridor.

I have assisted with a large number of queries from constituents on a range of issues.
